

Please share this with family and friends!!

Dear Friends and Family,

We know you care very much about our family and our kids' education. If you have ever had the chance to visit any of the four schools in the Dixie School District, you know it's a wonderful community. What makes our school district so unique is how we all join together to provide an outstanding educational experience for our children.

**Can Do!**, the non-profit education foundation for the four schools in the Dixie School District, has a family giving campaign. Its primary purpose is to raise money to provide essential programs for our children. Unfortunately, State funds do not adequately cover the real cost of public education, so we look to our parents and community to fund programs that are integral to a rich, well-rounded education.

Your contribution will help fund the cost of important programs at our schools such as art, drama, Eco-Star, K-2 music, elementary physical education, middle school counseling and athletics, and technology programs.

We hope you will take this opportunity to make a tax-deductible donation of any amount to the annual giving campaign.

Thank you for your support!

**Yes, I want to help children in the Dixie School District get the education they deserve!**

*A tax-deductible receipt will be sent to the name and address provided.*
