

August 2011

Dear Parents,

A new school year is upon us and we write to you with an urgent appeal. The Dixie School District continues to face budget cuts for the 2011-2012 school year on a scale never seen before. While we celebrate the passing of Measure A last spring, we still must play an active role in ensuring that the Dixie School District continues to be a leader in educational excellence. This year's Family Giving Campaign is critical and needs to be a priority.

Every family needs to participate. We are asking families to contribute at least \$450 per student to this campaign. Please make the maximum donation possible for your family. Your tax-deductible contribution will enable **Can Do!** to continue funding all of our existing programs – art, drama, K-2 music, EcoStar, elementary Physical Education, technology, and counseling at Miller Creek Middle School.

For those families who can give more than the \$450 per student, we are extremely grateful for your generosity. Just as important, however, is having **every** family participate – at whatever contribution level you can.

Participation is easy. There are many payment options, all of which are listed on the enclosed remit envelope.

Take pride in being part of an outstanding school district. Take comfort in knowing that we live in a community where education is a priority. Take this opportunity to participate now!

Together, we Can Do!
